EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with E. Kuesters on 11/6/07.

The application has been amended as follows:

Amend claim 1 as follows:

In the last line, after "tank" insert "wherein the partition comprises a manifold including the first, second and third flow paths"

Amend claim 2 as follows:

2. The fuel cell unit of claim 1, wherein:

the first compartment includes a thermal insulation material to restrict heat transfer from the first compartment to the second compartment.

Amend claim 3 as follows:

Cancel claim 3.

Claims 1, 2, 4, 5 and 10-19 are allowed.

The following is an examiner's statement of reasons for allowance: the claims are directed toward a fuel cell unit having a partition partitioning an interior of a casing into a first

compartment housing a fuel cell and a second compartment. The partition is a manifold and includes first, second and third flow paths. The flow paths connect the components of the claimed fuel cell unit as recited by the claimed invention.

The prior art does not teach the claimed fuel cell unit having a partitioning manifold structure wherein the manifold structure has the claimed first, second and third flow paths.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tracy Dove whose telephone number is 571-272-1285. The examiner can normally be reached on Monday-Thursday (9:00-7:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Pat Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
